SIR,

War Office, 24th February, 1855.

THE Secretary at War, having had under consideration the rate of Stoppage required from Officers while under treatment in Hospitals abroad, heretofore taken at 3s. a day, I am directed to acquaint you that, taking into consideration the limitation lately assigned to the rate of Stoppage from Soldiers when in Hospital, either from disease contracted, or from wounds received while on active service in the field before an enemy, it has been determined, that all Officers belonging to an Army on active service in the field shall be subject only to a Stoppage at the rate of one shilling a day, whether the Officer's treatment shall arise from sickness or wounds. This rate of Stoppage to take effect from the 1st April last. I have to add that, in regard to Officers on the Staff of the Army, the above-mentioned Stoppage should be paid into the commissariat chest on the station where the Hospital may be situated, a proper return, signed by the medical officer, being annexed to the accounts; but that the Stoppages due from Regimental Officers should be paid over to the Paymasters of Regiments or Depôts, and credited in the general states of their Pay Lists separately, in the same page with those due from the Men, similar returns being annexed in support of such credits.

I have the honor to be, Sir,

To Officers commanding

Your most obedient Servant,

Regiments at home and abroad.

SIR,

War Office, 12th March, 1855.

I HAVE the honor, by the Secretary at War's direction, to acquaint you that, in order to facilitate the organization of the Militia, it has now been decided, with the concurrence of the General Commanding in Chief, that Soldiers may be transferred from the regular Army to the permanent Staff of Embodied Regiments of Militia, after a period of 18 years Line Service, instead of 20, the limit previously fixed, receiving in their Militia Regiments the Allowances heretofore granted. I am to add, that in the

case of each Non-Commissioned Officer or Private so transferred, the Secretary at War will be prepared to sanction the undermentioned Allowances being paid in the Line Regiment, in the manner pointed out in the enclosed Memorandum from the Adjutant General, dated the 12th ultimo, until the Man shall have completed the term of 21 years' service, entitling him to discharge to pension, viz.

If a Serjeant, 1s. a day.

If a Corporal, 9d. a day.

If a Private, 7d. a day.

CIRCULAR TO LINE AND MILITIA REGIMENTS.

P.S.

MEMORANDUM.

Horse Guards, 12th February, 1855.

THE General Commanding in Chief, being desirous of affording to the Embodied Militia greater facilities in completing their permanent Staff from the Regular Forces, is pleased to approve of the period of Line Service, required from Men who wish to be transferred to the "Embodied" Militia with the consent of their Commanding Officers, being reduced to 18 years, instead of 20 years, as heretofore; and the Secretary at War having sanctioned the grant of the under-mentioned Allowances, until the Non-Commissioned Officers and Men so transferred have completed the term of 21 years' service, entitling them to discharge, viz.

A Serjeant, 1s. a day.

A Corporal, 9d. a day.

A Private, 7d. a day.

Viscount Hardinge, with the view of encouraging young Soldiers to qualify themselves as Drill Instructors, directs that these Allowances, for the period as above limited, shall be given to such Men only as shall be appointed Drill Instructors, in lieu of those transferred to the Militia.

By Command,

G. A. WETHERALL,

Adjutant General.

CIRCULAR, No. 1180.

SIR,

War Office, 19th March, 1855.

IT having been represented that some Regimental Officers serving in the Crimea are desirous of the opportunity of drawing from the Paymaster only the portion of their Pay sufficient to meet their immediate requirements, so as to avoid the risk of having money unnecessarily in their

hands, I am directed by the Secretary at War to acquaint you that, with a view to meet the wishes of Officers with the Army now on service in the Crimea, the Regulation, Article 127 of the Explanatory Directions, is suspended in those cases in which an Officer shall notify, in writing, to the Paymaster his desire to draw only a portion of his Pay. The Officer in making such notification will specify, as nearly as may be, the proportion he will probably require per Month, and the Paymaster is so to regulate his drafts on the Military Chest as to prevent the unrequired Pay from being drawn out of the Military Chest.

The Paymaster will meet the Officer's requisitions for Money on account of his personal Pay accordingly, and will charge in his Quarterly Statement of Pay to be accounted for by the Agent (A 2, Form 27, of the Pay List) only the amount actually issued to the Officer, annexing to such Statement a separate Memorandum showing the amount drawn by the Officers respectively for the period of such Statement, and the amount that remains to be subsequently claimed, and also annexing a duplicate of such Memorandum to the duplicate Statement required by Circular No. 1009, as a Voucher for the Pay List.

I am to add, that the Balance remaining undrawn is to be carried on in the Memorandum from Quarter to Quarter, so as to show, until the final adjustment of the account, the amount of Pay that remains due to the Officer.

The arrangements in this Letter are not applicable to Officers who draw their Pay from the Agent.

I have the honor to be, Sir,
Your most obedient Servant,

To Officer Commanding
the — Regiment.

CIRCULAR, No. 1181.

2.

SIR,

War Office, 20th March, 1855.

It appearing that in very numerous instances Soldiers have been sent from their Regiments on service in Turkey and the Crimea to the Military Hospitals in the East, and from these again to England, or back to their Regiments, without any report being furnished to the Paymasters, by whom they were next to be subsisted, of the dates to which their Pay would be charged by the Paymasters who had previously subsisted them, nor of the rates of Pay and Good Conduct Pay to which they were severally entitled, I am directed to request that you will call upon the Paymaster, or Officer doing duty as Paymaster to the Regiment under your command, to make up on the printed Form enclosed, and transmit to this Department with all practicable dispatch, a Roll specifying in alphabetical order, according to ranks, the particulars required by the Form of every Soldier who has died or has quitted the Regiment since its departure for Turkey or Greece and the Crimea, whether from this country or from any Station in the Mediterranean.

As this document will be required for the correct adjustment of numerous claims to arrears of pay which have been and will be preferred on the part

of such of these men as have been sent home, as well as on the part of the representatives of such as have died, it will be obvious to you that this Roll should in all its particulars be accurately prepared, and I am therefore instructed to request that you will give directions to the Paymaster or Acting Paymaster, as well as to the Officers commanding Troops or Companies of the Regiment under your command, to be as careful in its preparation as circumstances will admit of, and that you will give your best assistance to the same effect.

I am more particularly to draw your attention to the necessity of accurately distinguishing in the Roll, by means of the separate columns prescribed, the date to which the Pay of the men has been or is intended to be charged in the Paymaster's Accounts, and the dates to which the said Pay has been actually credited to the men's accounts; also to Column B, for exhibiting the balance due on each man's account according to the credit so given, so that the amount due to the men shall be correctly ascertained and paid to those entitled.

As it is probable that in many instances a portion of the Pay charged for the complete month or quarter in the Paymaster's Accounts has not been paid to the Officers commanding Troops or Companies, or, if paid, has been by them returned to the Paymaster, I am to request that the sums so arising to be stated in Column A may be most carefully ascertained.

As the sums to be specified in Columns A or B should be credited in the Paymaster's Accounts, I am to request that you will cause such credits to be given accordingly, if not already done, and that the Pay List in which the credits have been or are intended to be given may be stated against each sum in the column of Remarks.

I am instructed to request that the particulars required by Article 35 of the Explanatory Directions, Paragraph 5, may be invariably stated in the Column of Remarks against men of the same name.

The Roll required is to include the particulars of all cases up to 31st instant, and a separate similar return is to be sent monthly in future, but the Secretary at War trusts that you will give orders that the Regulations of the Service may be most strictly attended to in future, by furnishing full and complete Reports, whenever a Soldier shall quit the Regiment, to the Paymaster by whom he is next to be subsisted.

I have the honor to be, Sir,

Your most obedient Servant,

B. HAWES.

War Department, 23rd March, 1855.

A CASE having been submitted to the Law Officers of the Crown to ascertain whether Militia Men enrolled under the 15th & 16th Victoria, cap. 50, can be required to serve beyond fifty-six days with a Regiment embodied under the 17th Victoria, cap. 13, I have the honor to acquaint you, that the result of the submission is to confirm me in my opinion that Militia Men enrolled under the 15th & 16th Victoria, cap. 50, can be required to serve beyond fifty-six days with a Regiment embodied under the

17th Victoria, cap. 13; and that the latter statute applies as well to Militia Men enrolled before as to those enrolled after the passing of the same.

I have the honor to be
 Officer commanding Your most obedient humble Servant,
 Regiment of Militia. PANMURE.

CIRCULAR TO COMMANDING OFFICERS OF MILITIA.

War Department, 27th March, 1855.

SIR,

I INFORMED you in my Circular of the 23rd instant that no doubts exist as to the legal obligation of all Men in the ranks of the Embodied Militia to complete their term of Service under the Act of 1854, although they may have been enrolled under a previous Act of Parliament.

Still an impression appears to exist in many Regiments that a different expectation was held out to the Militia Men at the period of the passing of that Act.

I hold it to be of essential importance to keep faith with the Soldier in all cases, as it tends to confirm his confidence in those by whom he is employed and to reconcile him to a cheerful discharge of the duties of his profession; and, therefore, although I cannot recognize any claim of right on the part of any Man in your Regiment enrolled previously to the 12th May, 1854, to a release from his engagement, I have to desire that you will cause all such Men to be re-attested for the completion of their five years' Service, with an offer of an additional and immediate Bounty of 20s. to all such as shall consent to such re-attestation.

All Men who refuse to be attested may, on the completion of their Service of fifty-six days, be permitted to return to their homes on leave of absence; but they will be required to attend the Regiment for fifty-six days in every year until the expiration of their original engagement.

You are further authorized to discharge altogether any Married Men (with large families) so enrolled whose presence may be essentially required for the maintenance of their families.

Under the above act of grace there will, I have reason to believe, from the excellent spirit hitherto shown by the Militia in coming forward, not only for the Home defence of the Country but in volunteering for Foreign Service, be but few Men who would wish to discontinue their Embodied Service.

I have the honor to be,
 Sir,
 Officer commanding Your most obedient Servant,
 Regiment of Militia. PANMURE.

FORAGE.

CIRCULAR. No. 1179.

WAR-OFFICE, 19th March, 1855.

SIR,

I am directed by the Secretary at War to annex, for your information and guidance, a Statement of the Daily Rates of Allowance to General and other Staff Officers of Infantry Regiments, in lieu of Forage for the Horses required to be kept by them for the Public Service, for the Half-year from 1st October, 1854, to the 31st March, 1855, agreeably to which the Charge for Forage will be allowed.

I am to add, that if a Charge at a different Rate has been already made, the same should be corrected according to the said Statement.

I have, &c.

REGULATIONS RESPECTING FOREIGN ORDERS.

1st. THAT no British Subjects shall accept a Foreign Order, or wear its Insignia, without having previously obtained a Warrant under the Royal Sign Manual, (directed to the Earl Marshal of England,) granting them His Majesty's permission to accept and wear the same.

2nd. That the intention of a Foreign Sovereign to decorate a British Subject with the Insignia of such Order, shall be notified to His Majesty's Principal Secretary of State for Foreign Affairs, either through the King's Minister abroad, or through the accredited Minister of the Foreign Sovereign resident at this Court.

3rd. That when His Majesty's Principal Secretary of State for Foreign Affairs shall have taken His Majesty's pleasure, and obtained his consent upon the occasion, he shall then signify to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause the usual Warrant to be prepared for the Royal Sign Manual, and take such other steps as may be necessary for carrying His Majesty's pleasure into effect accordingly.

4th. That when the Warrant is signed by the King, it shall be announced in the Gazette in the usual manner, and registered in His Majesty's College of Arms.

In addition to the above Regulations of the King, His Royal Highness the Prince Regent deemed it expedient to announce, in the year 1812,—

5th. "That no Subject of His Majesty could be allowed to accept the Insignia of a Foreign Order from any Sovereign of a Foreign State, except they shall be so conferred in consequence of active and distinguished services before the Enemy, either at Sea or in the Field; or unless he shall have been actually employed in the Service of the Foreign Sovereign."

And in March, 1813, His Royal Highness was pleased to command that the following proviso should be thereafter inserted in all Royal Warrants for the acceptance of Foreign Orders:

6th. "That His Majesty's license and permission doth not authorize, and shall not be deemed or construed to authorize, the assumption of any style, appellation, rank, precedence, or privilege appertaining unto a Knight Bachelor of these Realms."

N.B.—Before the Principal Secretary of State for Foreign Affairs takes the Prince Regent's pleasure on any application for an Officer in the Army to be permitted to accept a Foreign Order, he causes the same to be referred to the Commander-in-Chief, through his Royal Highness's Secretary, to know whether or not His Royal Highness sees any objection to the Prince Regent's pleasure being taken thereupon.

And if the application be in favour of a Naval Officer, the Principal Secretary of State for Foreign Affairs communicates with the First Lord of the Admiralty, to the same effect, previous to the Prince Regent's pleasure being taken thereon.

(Signed) CASTLEREAGH.

Her Majesty has been pleased to direct,—

7th. "THAT if the Service for which it is proposed to confer the Order has been performed during War, the Notification required by the 2nd Regulation must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

"If the Service has been performed in time of Peace, the Notification must be made within two years of the date of such Service."

8th. "When a British Subject has received the Royal Permission to accept a Foreign Order he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred."

Foreign Office, August 22, 1843.

(Signed) ABERDEEN.

The Queen has made known her pleasure,—

9th. "THAT the 8th Clause of the Regulations respecting Foreign Orders shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by her predecessors, Their Majesties King George IV. and King William IV., on whose Heads the Crowns of Great Britain and Hanover were united.

"Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for Services rendered according to the purport of the 5th Clause of the Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to Services rendered to the Foreign Crown of Hanover."

Foreign Office, July 6, 1846.

(Signed) ABERDEEN.

REGULATIONS RESPECTING FOREIGN MEDALS.

The Queen has been pleased to direct that:

1st. "APPLICATION for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy, for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality."

2nd. "Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn."

Foreign Office, January 24, 1851.

(Signed) PALMERSTON.

GENERAL ORDER.

Horse Guards, 15th March, 1855.

HER MAJESTY has been pleased to command that the practice, which prevailed in former wars, of withholding Promotion from Officers taken Prisoners of War shall be discontinued as regards the Subaltern Officers of the Army; and, as regards Officers of the rank of Captain who, if not made Prisoners, would by their regimental standing succeed to the rank of Major, or if Majors would succeed to Lieut.-Colonelcies,—that the loss of promotion, consequent upon being captured by the enemy, should subsequently be made up to them, after their exchange or release, so far as may be practicable, by their being advanced to the substantive rank which they would have attained had they not been taken Prisoners,—and by the antedate of their commissions.

Her Majesty has further been pleased to command, with a view to prevent any Officer who may have been taken prisoner by his own neglect, or any other unofficer-like conduct, obtaining any of the advantages above enumerated, that the following regulation shall be established:—

Whenever an officer shall have been made a Prisoner of War, a Court of Enquiry shall as soon as possible be assembled, by order of the General Officer Commanding the Forces, to investigate the circumstances under which he became a Prisoner, and—having sifted the facts as far as may be in their power—to make a report thereon, and to state their opinion, whether his capture is to be attributed to the chance of war to which he was exposed, or whether it may have occurred from any unofficer-like conduct on his part, and that the following declaration be made by the president and members of the Court of Enquiry previously to commencing the proceedings:—

“I, A. B., do declare upon my honor, that I will duly and impartially enquire into and give my opinion as to the circumstances under which Captain C. D. became a Prisoner of War, according to the true spirit and meaning of Her Majesty’s orders and regulations on this head; and I further declare, upon my honor, that I will not on any account, or at any time, disclose or discover my own vote or opinion, or that of any particular member of the board, unless required to do so by competent authority.”

The proceedings of the Court are to be transmitted by the General Officer in command of the Forces to the General Commanding-in-Chief.

By command of the Right Honorable

GENERAL VISCOUNT HARDINGE,

Commanding-in-Chief,

G. A. WETHERALL,

Adjutant-General.

REGULATIONS RESPECTING FOREIGN ORDERS.

1st. THAT no British Subjects shall accept a Foreign Order, or wear its Insignia, without having previously obtained a Warrant under the Royal Sign Manual, (directed to the Earl Marshal of England,) granting them His Majesty's permission to accept and wear the same.

2nd. That the intention of a Foreign Sovereign to decorate a British Subject with the Insignia of such Order, shall be notified to His Majesty's Principal Secretary of State for Foreign Affairs, either through the King's Minister abroad, or through the accredited Minister of the Foreign Sovereign resident at this Court.

3rd. That when his Majesty's Principal Secretary of State for Foreign Affairs shall have taken His Majesty's pleasure, and obtained his consent upon the occasion, he shall then signify to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause the usual Warrant to be prepared for the Royal Sign Manual, and take such other steps as may be necessary for carrying His Majesty's pleasure into effect accordingly.

4th. That when the Warrant is signed by the King, it shall be announced in the Gazette in the usual manner, and registered in His Majesty's College of Arms.

In addition to the above Regulations of the King, His Royal Highness the Prince Regent deemed it expedient to announce, in the year 1812,—

5th. "That no Subject of His Majesty could be allowed to accept the Insignia of a Foreign Order from any Sovereign of a Foreign State, except they shall be so conferred in consequence of active and distinguished services before the Enemy, either at Sea or in the Field; or unless he shall have been actually employed in the Service of the Foreign Sovereign."

And in March, 1813, His Royal Highness was pleased to command that the following proviso should be thereafter inserted in all Royal Warrants for the acceptance of Foreign Orders:

6th. "That His Majesty's license and permission doth not authorize, and shall not be deemed or construed to authorize, the assumption of any style, appellation, rank, precedence, or privilege appertaining unto a Knight Bachelor of these Realms."

N.B.—Before the Principal Secretary of State for Foreign Affairs takes the Prince Regent's pleasure on any application for an Officer in the Army to be permitted to accept a Foreign Order, he causes the same to be referred to the Commander-in-Chief, through his Royal Highness's Secretary, to know whether or not His Royal Highness sees any objection to the Prince Regent's pleasure being taken thereupon.

And if the application be in favour of a Naval Officer, the Principal Secretary of State for Foreign Affairs communicates with the First Lord of the Admiralty, to the same effect, previous to the Prince Regent's pleasure being taken thereon.

(Signed) CASTLEREAGH.

Her Majesty has been pleased to direct,—

7th. "THAT if the Service for which it is proposed to confer the Order has been performed during War, the Notification required by the 2nd Regulation must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

"If the Service has been performed in time of Peace, the Notification must be made within two years of the date of such Service."

8th. "When a British Subject has received the Royal Permission to accept a Foreign Order he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred."

Foreign Office, August 22, 1843.

(Signed) ABERDEEN.

The Queen has made known her pleasure,—

9th. "THAT the 8th Clause of the Regulations respecting Foreign Orders shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by her predecessors, Their Majesties King George IV. and King William IV., on whose Heads the Crowns of Great Britain and Hanover were united.

"Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for Services rendered according to the purport of the 5th Clause of the Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to Services rendered to the Foreign Crown of Hanover."

Foreign Office, July 6, 1846.

(Signed) ABERDEEN.

REGULATIONS RESPECTING FOREIGN MEDALS.

The Queen has been pleased to direct that:

1st. "APPLICATION for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy, for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality."

2nd. "Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn."

Foreign Office, January 24, 1851.

(Signed) PALMERSTON.

MEMORANDA, CIRCULARS, &c.

MEMORANDUM.

LORD PANMURE has consented to the temporary employment of Capt. George Templar Graham, late of the Bengal Artillery, as Military Agent in England to the Turkish Contingent.

WAR DEPARTMENT, 28th April, 1855.

Sir John Kirkland has been appointed Agent to the British Foreign Legion.

For the guidance of Commanding Officers in the preparation of Monthly Returns of Court Martial.

CIRCULAR.

MEMORANDUM.

Horse Guards, 10th April, 1855.

In cases where soldiers are tried for Desertion, and the Court abstain from sentencing them to be marked with the letter D, on account of their youth or previous good conduct, or in consequence of their being already marked, the circumstance should be noticed in the column of remarks.

By command,

G. A. WETHERALL,

Adjutant-General.

Militia.

CIRCULAR.

Miscellaneous.

MEMORANDUM.

Horse Guards, 24th April, 1855.

1. Much inconvenience being caused in the military department by the inaccuracies which are observed in the monthly and other Returns furnished by the embodied Militia, the General Commanding-in-Chief finds it necessary to call the attention of Commanding Officers to the subject, and to request that they will take care to ascertain the correctness of all returns and other documents before they verify the same by their signature.

2. Her Majesty's Regulations and Orders for the Army contain full instructions for making out the Regimental Returns, and if these instructions are attended to, it is conceived that little difficulty would be felt in their preparation.

3. In these documents, however, as received from the Militia, it frequently happens that the numbers effective on the first of one month are not correctly brought forward in the succeeding Return, by which the proof of the General Returns prepared at Head Quarters is rendered impossible. Another very general error is, that the alterations in the number of effectives are not fully accounted for in the columns of Increase and Decrease;—and that

in consequence of men who are borne on the strength in some of the columns being left out in others, the total number of Serjeants, Drummers and Rank and File is not made to correspond, as it ought to do, in all parts of the Return.

4. There is also reason to believe that the casualties are not unfrequently entered in the wrong columns;—for instance, that men who have been absent without leave, and are authorized to be struck off the strength, are reported as “*discharged*” instead of “*deserted*,” while others who have extended their services in the regular Army are not always accounted for as directed by the Circular of the 25th November last, as “*transfers given to the Line*.”

5. The “*Memoranda*,” also, on the second page of the return are, for the most part, altogether lost sight of:—In them should be inserted, under the proper head, remarks to account for any extraordinary number of Discharges, Desertions, Transfers, &c., and such other observations that may be necessary for the elucidation of any parts of the Return which may require explanation.

6. The General Commanding-in-Chief desires further to point out to Commanding Officers the necessity of the utmost attention being paid to the accuracy as well as the regular transmission of the “*Returns of Volunteers finally approved*,” which are ordered by the Circular of the 14th December last to be transmitted to the Adjutant General every Saturday.

7. When no volunteers have been finally approved of during the week, this return is always to be sent in *blank*;—the form also, as prescribed by the said Circular, is to be strictly adhered to, and neither in these, nor in the Monthly Returns, are any to be accounted for as Volunteers to the Line until regular reports of their final approval have been received.

8. It is obvious that confusion and mistakes must be occasioned by having to retake on the strength men whose final approval is for any reason delayed or withheld.

9. These weekly Returns of Volunteers are alway referred to in disposing of applications for the appointment of Officers of the Militia to Commissions in the Line, but great discrepancies are found to exist in the numbers reported to the Adjutant General, and the numbers on which the recommendations for such appointments to the Line are founded.

10. Unnecessary trouble and correspondence are occasioned in the Military departments by the necessity of calling for explanations of these discrepancies, and the interests of individuals suffer from the delay.

11. It is also necessary that all Returns and other documents transmitted to Head Quarters should bear the signature of the *Commanding Officer*, not of the Adjutant; that they should always be prepared and sent off on the prescribed day; and that the assistants in the orderly room should be strictly enjoined to take care that they are properly addressed to the department for which they are intended.

12. Returns for the War Office and other departments are constantly misdirected to the Adjutant General, and vice versa, by which delay is created, and trouble occasioned by the necessity of having to write for Returns which, though perhaps correctly made up and despatched at the proper period, have been sent through the wrong channel.

13. Without entering into further detail on the subject, the Adjutant General is directed to add the expression of the General Commanding-in-

Chief's hope, that Commanding Officers will give their own personal superintendence to a matter by which, if properly attended to by all, the carrying out of the public service would be greatly facilitated at a period of unusual pressure.

By command,

G. A. WETHERALL,

P.S.—The *County Title* is always to be inserted in the heading of all Militia Returns, and the Regimental number is never to be made use of *by itself*.

CIRCULAR.

MEMORANDUM.

Horse Guards, 25th April, 1855.

THE General Commanding-in-Chief desires that, until the receipt of a fresh supply of printed forms from the War Office, a Slip, showing the Ages of the Non-Commissioned Officers and Men, may be appended to the Monthly Returns of all embodied Regiments of Militia, in the following form, viz.:—

AGES OF THE MEN.

	S.	D.	C.	Privates.	Total.
Under 18 Years					
From 18 to 25 Years					
„ 25 to 30 „					
„ 30 to 40 „					
„ 40 to 50 „					
Upwards of 50 „					

By command,

G. A. WETHERALL,

Adjutant-General.

SIR,

War Office, 8th May, 1855.

The Secretary at War having approved of a division of the duties of the Paymastership of the Depot Battalion at Winchester between Paymasters M'Kenzie and Cubitt, I am directed to acquaint you that all business relating to 1st Battalion, 1st Foot, 7th and 23rd Regiments will accordingly be transacted by the first-named Paymaster, and that the second will have in his payment the Depôts of 46th, 71st and 88th Regiments.

In issuing Routes you will accordingly be pleased to be guided by this division of the Depot Battalion in question, and include the parties of the first-mentioned Regiments separately from those in the second Division.

I have the honor to be, Sir,

Your most obedient Servant,

The Inspecting Field Officer.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force :

Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

Foreign Office, May 10, 1855.

(Signed) CLARENDON.

No. 1,185.
